

Enigmaclean

A cleaning product manufacturer reduces their waste by **75%**

Enigmaclean is an Australian owned and operated company that manufactures commercial and consumer cleaning and specialised products. They manufacture from their head office in south-east Melbourne and sell products direct to their customers Australia wide.

Enigmaclean have a focus on doing their best for the environment which means developing cleaning

products that are kind to the environment, in some cases biodegradable. They also ensure their products are safe to use and don't present a hazard to the user.

Enigmaclean's waste is mostly packaging related and includes plastic film, bottles and steel drums. In addition to having waste outputs, Enigmaclean also require standard sized timber pallets that are used to ship their product to customers.

The Benefits

✓ **\$2,000** of waste costs is saved per year

✓ **1 tonne** of waste is diverted from landfill each year

“Our company does the right thing as a matter of course. Our products are kind to the environment and safe to use. As part of working with ASPIRE, we have reduced our waste to landfill by 75% this year. We are now recycling resources rather than throwing them away.”

Jason Taleb, Director, Enigmaclean

Our Solution

Plastic Film Olympic Polymers

Olympic Polymers specialises in cleaning, sorting and recycling of post-industrial plastic waste into high quality recycled resins for reuse in industry.

Plastic film that encases their plastic containers are sent to Enigmaclean for processing.

Plastic Containers Enigmaclean suppliers

Enigmaclean source new 5 L and 20L plastic containers for their cleaning products. They collect used containers from their customers and re-use where possible.

Newly formed relationships with suppliers have allowed them to return used containers for re-use.

Timber Pallets North Melbourne Company

Enigmaclean require standard sized pallets for shipping their cleaning products.

Enigmaclean collected 15 pallets for use. They continue to search for other companies who can provide supply of standard size pallets in SE Melbourne.
